## Crew SIM Card

### CREWREACH

CrewReach is a global 4G/LTE prepaid SIM card designed with the seafarer in mind. CrewReach enables seafarers to stay in touch with their family and friends across the globe. CrewReach mobile SIM cards can be inserted into any unlocked smartphone, providing low-cost global 4G/3G data only access.

### FREE SOCIAL MESSAGING

CrewReach provides 50MB of WhatsApp™ or WeChat™ free each month, once the SIM card is registered\*

*\* CrewReach SIM card must have credit loaded within three months of activation, otherwise it will be deactivated*

### GLOBAL CONNECTIVITY

CrewReach delivers 4G/LTE connectivity in over 180 countries across the globe. This ensures that your family and friends are close, regardless of what country you are in.

### SIMPLE MANAGEMENT

Using the CrewReach mobile application, your credit and data usage can be checked. Credit can be added using a credit card, or via a prepaid voucher.

### LOW COST

CrewReach provides cost effective 4G/LTE data connectivity, with per Megabyte billing.
