

LAUNCH News

Thousands of newspapers and magazines available at your fingertips

THE CRITICAL COMMUNICATIONS COMPANY

Powered by
 pressreader™

It can be difficult for guests and crew traveling around the world to keep up with the latest news from their hometowns. As part of the Speedcast LAUNCH portfolio, LAUNCH News is designed to easily bring thousands of top newspapers and magazines to ships and offshore sites for crew and guest enjoyment.

Powered by PressReader™, LAUNCH News is the world's best all-you-can-read digital media platform, offering full issues of more than 7,000 global newspapers and magazines. With the PressReader app, you can read how and when you want and access stories that truly matter to you. With thousands of local and international titles, PressReader's digital content is as diverse as today's modern guests and crew.

LAUNCH NEWS FEATURES

- **Stay up to date.** Publications are released onto LAUNCH News the same day they're available in print, so your guests can keep up with the latest sport, entertainment and world news.
- **Forget bandwidth strain.** Publications can be selected and downloaded to the server, so you'll never have to use the internet to distribute great content to everyone on board or onsite.
- **Read without limits.** Once downloaded to a device, publications are available until deleted by the user.
- **Digitalize your content.** Bring digital content for both information and entertainment anywhere — whether on a ship, a rig or a remote onshore site with limited connectivity.

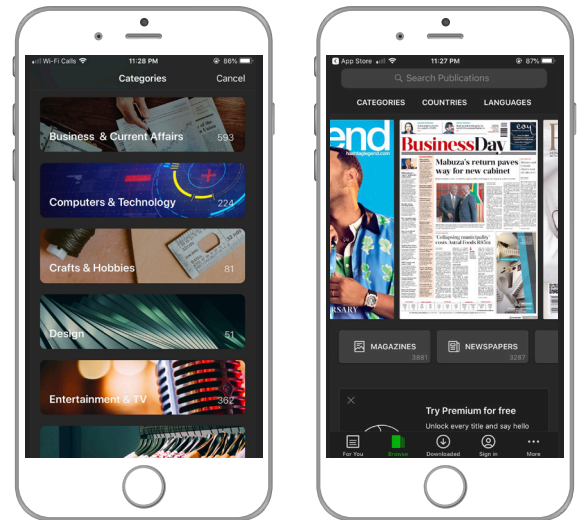

*Easily bring more than
7,000 global newspapers
and magazines to guests
and crew.*
